REMARKS/ARGUMENTS

The Office Action has been carefully considered. The issues raised are traversed and addressed below with reference to the relevant headings and paragraph numbers appearing under the Detailed Action of the Office Action.

Claim Rejections – 37CFR 1.75(a)

In this section, the Examiner has objected to claim 4 as for not pointing out and distinctly claiming the subject matter which the applicant regards as his invention. In view of the Examiner's objection, we have amended claim 4 appropriately.

Co-pending Applications

The Applicant has amended page 1 of the specification to update and correct all information with regard to co-pending applications. The Applicant submits that these amendments introduce no new matter.

In view of the foregoing, it is respectfully requested that the Examiner reconsider and withdraw the rejections. The present application is believed to be in condition for allowance. Accordingly, the Applicant respectfully requests a Notice of Allowance of all the claims presently under examination.

Very respectfully,

Applicants:
